Cultural Immersion Programmes (one or two students) at Amira

[Book Online](#)

On “**Cultural Immersion Programmes**” we spend more time on the culture of the language than in normal private lessons. These are courses for your intellectual pleasure as well as improvement in your precise use of expressions. For these programmes, we focus on a pre-agreed aspect of culture : literature, history, song, cinema, poetry, theatre, or other art forms.... They appeal particularly to those who are actively engaged in culture, for example, as academics, writers, journalists, language teachers, actors, translators, arts administrators, sponsors However, you do not need a direct, professional reason to book such courses. You can enjoy Amira’s “Cultural Immersion Programmes”, if you have already completed study in the language at least up to the European level to B2.1 (Amira level 3B), have a high general education and a developed sensitivity to the cultural forms of your own language.

FEES These vary according to language / cultural focus / second student / special requirements:
